- Between 1,500 mg and 2,800 mg of HCA daily
- 2,000 kcal/diet per day & 30 mins. of walking (5 days per week)

Optimum results occurred between 8-12 weeks

**FIGHT IT!
GARCINIA CAMBOGIA**

Hunger and cravings can leave you feeling powerless to control your weight. Fight the hunger and break the cycle with patented Super CitriMax® Garcinia Cambogia.††

HOW IT WORKS

Super CitriMax® is derived from the dried fruit of Garcinia Cambogia, a native fruit of Asia and Africa. Super CitriMax® contains a 60% concentration of hydroxycitric acid (HCA). HCA is essential for increasing metabolism and burning fat.††

Studies have shown Super CitriMax® Garcinia Extract bound with calcium and potassium have superior absorption of HCA compared to HCA bound with calcium alone. (InterHealth internal data).††
