

Natrol® MSM & Glucosamine provides the combination of nutrients you need for healthy joints and cartilage. MSM (Methylsulfonylmethane) and Glucosamine Sulfate are the subject of research on connective tissue and joint health. MSM is a compound containing sulfur, which is important in promoting joint flexibility, while Glucosamine has been shown to regenerate cartilage for greater joint comfort.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, or are taking prescription drugs. Do not use if you are pregnant or lactating. People with allergies to shellfish should consult their healthcare professional before taking this product.

STORE IN A COOL, DRY PLACE.
