CURICA
TURMERIC

Patented Technology

- Superior Absorption
- Maximized Bioavailability
- Optimized Effectiveness

Curica® Turmeric Drops utilize a patented colloidal dispersion technology that dramatically improves curcumin absorption and bioavailability.

- 1 To start, turmeric extract is micronized into tiny particles
- 2 Next, turmeric extract is microencapsulated with plant starch
- 3 Turmeric extract is now easily dispersible in solution
- 4 Curcumin is now more absorbable and bioavailable
