

Natrol® Melatonin supports healthy sleep patterns. The body naturally releases melatonin in response to changes in light, with melatonin levels rising at night. Vitamin B6 is essential for melatonin production. It is in this way that melatonin helps promote sleep.[†]

WARNING: If you are under medical supervision or using any tranquilizers or sedatives, seek the advice of your healthcare professional prior to using. Consult your physician before using if you have an autoimmune condition, depressive disorder or are pregnant or lactating. Not for use by children under 12 years of age. Do not take when operating machinery or driving a vehicle.

STORE IN A COOL, DRY PLACE. KEEP OUT OF REACH OF CHILDREN.
