THE POWER IS IN THE FLOWER**

ITEM: 863.920 F: 3002074 B: 2007512-15064

LOT:839P

CLINICALLY TESTED^{††}

RESEARCH SHOWED TONALIN® CLA TO:^{††}

- Help Reduce Body Fat Mass[†]
- Help Increase Muscle Retention[†]

STUDIES RECOMMEND:

- Up to 3,600 mg of CLA daily[†]
- 2,000 kcal/day diet & 30 mins of walking (5 days per week)

Optimum results occurred between 8-12 weeks
Individual results may vary.

**REDUCE IT!
TONALIN CLA**

The power is in the flower! This patented formulation of Tonalin CLA is derived by a proprietary process from natural safflower oil, a vegetarian source of linoleic acid.[†]

HOW IT WORKS

When you consume excess fat, it is stored in fat cells. Studies show CLA affects key enzymes involved in fat mobilization and the storage of fat.

This may result in the reduction of body fat mass.^{††}
