

Natrol® Black Cohosh Extract is hormone free and provides standardized Black Cohosh Extract, which is clinically shown to relieve hot flashes, night sweats and mood changes. Compared to non-standardized whole herb products, Natrol Black Cohosh Extract is an extract that contains a more concentrated form of Black Cohosh root and its active compounds.†

Consult your healthcare professional if you have or have had liver problems, frequently use alcoholic beverages, or take any medication before using supplements containing Black cohosh. Do not use if you are pregnant or lactating. Stop use and see a physician if you develop symptoms that may signal liver problems (e.g., unexplained fatigue, abdominal pain, loss of appetite, fever, vomiting, brown urine, light-colored stools, yellow eyes or skin). Not for use by individuals under the age of 18 years. People with allergies to corn should consult their healthcare professional before taking this product.
