

ProSol™ Kidney/Urinary Tract is a 100% vegetarian supplement providing a unique blend of pHysioProtease™ with synergistic herbs and nutrient to support normal function of the kidney/urinary tract and help maintain adequate fluid balance.*

Directions: One capsule three times per day on an empty stomach, or as indicated by your doctor. (For best results, take at least two hours after and one hour prior to a meal.) Take with adequate liquid. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, mitigate, cure or prevent any disease.
