†Daily Value not established.

Other ingredients: gelatin, glycerin, purified water, and rice bran oil.

Contains soy.

Naturally occurring vitamin E from rice bran oil contains both tocopherols and tocotrienols. Tocotrienols are vitamin E-related compounds found to have antioxidant properties. This antioxidant formula highlights *gamma*, the most potent tocotrienol. Studies indicate that the effect of combining tocotrienols with tocopherols enhances vitamin E's antioxidant properties.*

Suggested Use: 1 to 2 softgels daily.
