

Natrol® Milk Thistle Advantage® combines the power of milk thistle, standardized to 80% silymarin, along with supportive herbs. Silymarin, a flavonoid complex extracted from milk thistle seeds, supports the health of the liver. Silymarin aids in the detoxification of the liver and elimination of metabolic by-products by helping to fortify cell membranes, provide antioxidant protection, and rejuvenate liver cells.†

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating.
