

GABA is a naturally occurring amino acid found in common foods like rice, tea, vegetables and fruits. Supplemental GABA has been shown to promote relaxation, mental clarity and the ability to cope with lifestyle stress.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition or are taking prescription drugs. Do not use if you are pregnant, lactating or under the age of 18 years. People with allergies to wheat, soy or corn should consult their healthcare professional before taking this product.
