STORE IN A COOL, DRY PLACE.

Source Naturals **UBIQUINOL CoQH** is a newly available form of the powerful antioxidant CoQ10. This superior form offers you the same broad-ranging benefits, but with heightened absorption which yields higher concentrations of CoQ10 in the blood. Ubiquinol has been shown to provide powerful antioxidant defense and also supports the body's cardiovascular and energy systems by aiding in the synthesis of mitochondrial ATP. The comprehensive benefits of ubiquinol also aid the liver, brain, and immune systems.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
