| Adults                     | Children                          |
|----------------------------|-----------------------------------|
| 4-6 tablets, 3 times daily | Over 12 years                     |
|                            | Age 7-11                          |
|                            | 1-2 tablets, 3 times daily        |
|                            | Under 4 years                     |
|                            | Consult a healthcare professional |

**CAUTION:** Not recommended for individuals with autoimmune diseases, HIV infection, progressive systemic disease, or who are allergic to echinacea or other flowers of the same Compositae (or Asteraceae) family, or any of the other ingredients of Esberitox, or who are taking cytostatic or immunosuppressive therapy. If pregnant, nursing, or taking any medications, consult a healthcare professional before use. Hypersensitivity or gastrointestinal discomfort may occur. If you observe these or other side effects, discontinue use and consult a healthcare professional.

**RECOMMENDATION:** Take 6 tablets three times daily initially for faster results. Reduce to 4 tablets three times daily as you begin to feel better.

Manufactured in Germany by  
Schaper and Brümmer GmbH & Co. KG

If lactose intolerant, take Esberitox only with the advice of a healthcare professional.  
**Other ingredients:** lactose (milk), sugar, macrogol, magnesium stearate
