Formulated for Adults Age 50+

As adults age, the level of *Bifidobacteria* in the colon may decline. Primadophilus[®] Fortify[™] Age 50+ provides **50% more *Bifidobacteria*** than *Lactobacilli* to help replenish your colon and maintain everyday health and wellness.*

Bifidobacteria
in the colon may
decline with age

This formula
helps replenish
Bifidobacteria[†]

Everyday Wellness

Primadophilus Fortify Age 50+ is designed to support the everyday digestive health needs of mature adults:

- Promote immune health*
- Support regularity and digestive balance*
- Prevent occasional gas/bloating/constipation*

Delayed Release

Primadophilus Fortify capsules **resist stomach acid** better than standard capsules to help deliver probiotics to the intestine.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Extra Strength[®] 50 Billion

While many probiotic brands only provide 1 to 10 billion live cultures per serving, **Primadophilus[®] Fortify[™] Extra Strength[®]** are powerful formulas with **50 billion live probiotic** cultures per capsule to help balance and replenish your intestinal tract.*

Researched Strains

Primadophilus Fortify Age 50+ contains researched probiotics including BI-04[®], BI-07[®] and NCFM[®].

Guaranteed Potency

The 50 billion potency of this product is guaranteed until expiration when stored under recommended conditions.

Potency of live cultures measured in Colony Forming Units (CFU).
