

30 Billion Active Cultures Balanced for a Woman's Needs

Lactobacilli are the dominant good bacteria found in a healthy vaginal tract. Primadophilus® Fortify™ Women's probiotic is formulated with a higher ratio of lactobacilli to help support women's health.*

- 24 billion **lactobacilli** to support vaginal health*
- 6 billion **bifidobacteria** to support your colon*

Multiple Health Benefits

Taking Primadophilus Fortify every day helps:

- **support vaginal and urinary tract health***
- **prevent occasional gas/bloating/constipation***
- **support immune health***

Researched Probiotic Strains

Primadophilus Fortify contains NCFM® and BI-04®, both researched probiotic strains.

Delayed Release

Primadophilus Fortify capsules **resist stomach acid** better than standard capsules to help deliver probiotics to the intestine.

What are Probiotics?

Probiotics are good bacteria that promote digestive balance and support immune health.*

30 Billion Advantage

While many popular probiotic brands only provide 1 to 10 billion live bacteria cultures per serving, **Primadophilus® Fortify™** provides **30 billion live bacteria** cultures to help balance and replenish your intestinal tract.*

Guaranteed Potency

Primadophilus Fortify's 30 billion potency of live probiotic cultures is guaranteed until product expiration date when stored under recommended conditions.

Potency of live cultures measured in Colony Forming Units (CFU).

Tamper Evident: Safety sealed in blister units. Do not use if individual blisters are open or torn. **Keep out of reach of children.**
