PRO PERFORMANCE® RESULTS

Supplementation may help maintain glutamine levels that have been depleted as a result of intense exercise.* Glutamine is involved in protein synthesis and plays a pivotal role in the body's nitrogen balance.*^ It serves as fuel for the immune system and maintenance of proper intestinal function.*

PRO PERFORMANCE® QUALITY

Pro Performance® L-Glutamine features our advanced micronized formula - instantized and gluten free to blend easily with your favorite beverage. This system micronizes large molecules into small particles, which are easier to absorb, maximizing the delivery of glutamine.

^When used in conjunction with an exercise program.

KEEP OUT OF REACH OF CHILDREN.
Store in a cool, dry place.
