

Laxative Formula gently but effectively cleanses the intestinal surfaces and promotes bowel function without the use of stimulant laxatives, such as senna and cascara.* Laxative Formula works with the body's own elimination processes to safely promote bowel movements.*

Recommendations: Take 2 tablets at bedtime or as recommended by your healthcare professional. May increase to 3 tablets at bedtime, if needed. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin.

Warnings: Consult a healthcare professional if a sudden change in bowel habits occurs and persists for two weeks, if taking prescription drugs, have gallstone or bile duct obstruction. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition; discontinue use and consult a healthcare professional. Do not use if pregnant or nursing. Unless directed by a healthcare professional, do not use laxative products when abdominal pain, nausea, or vomiting is present, or if you have kidney disease. Do not take more than three tablets in a 24-hour period or use the maximum dosage for more than two weeks. Laxative products are not intended for long-term use, unless directed by a healthcare professional.
