Source Naturals **ULTRA POTASSIUM™** is a superior product utilizing six different forms of potassium. Potassium is essential for maintaining nerve impulses, regular heartbeats, muscle strength, and for general cellular support. Source Naturals ULTRA POTASSIUM utilizes Krebs cycle intermediates for improved bioavailability. The compounds generated in the Krebs cycle perform many vital metabolic functions, including serving as amino acid precursors for protein synthesis. These compounds also allow the Krebs cycle to efficiently produce adenosine triphosphate (ATP), the primary energy molecule in the body, used especially by muscle cells.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
