Hesperidin	30 mg	†
Rutin	30 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: stearic acid, microcrystalline cellulose, hydroxypropyl cellulose, and modified cellulose gum.

Each tablet contains 1,000 mg of vitamin C, completely derived from five mineral ascorbates. Ascorbate C is a natural and better form of vitamin C than ascorbic acid because it is pH neutral, making it gentler on the digestive system. Vitamin C plays a vital role in collagen formation, amino acid metabolism, hormone synthesis, and the body's immune system.*

Suggested Use: 2 tablets 1 to 2 times daily; for short term, high potency use, do not exceed 8 tablets daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
