*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: stearic acid, acacia gum, modified cellulose gum and hydroxypropyl cellulose.

Contains soy.

ULTRA BONE BALANCE™ features Ostivone® brand of ipriflavone, the groundbreaking nutraceutical shown in clinical studies to help support bone density. Clinical studies have demonstrated that in post-menopausal women, ipriflavone, when combined with calcium, helps to maintain bone mineral density. The formula includes vitamins, minerals, key co-nutrients and isoflavones to help keep bones healthy and strong.*

Suggested Use: 4 tablets daily. For best results take in divided doses with breakfast and dinner. Taking calcium supplements with dinner offers added support until breakfast.

CAUTION: If you are pregnant, may become pregnant, or breastfeeding, have any blood coagulation condition, or are taking any blood thinning medication, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
