Vanadium is a biologically important metal that is essential for normal cell function and development. Vanadium has been shown to help maintain blood-sugar levels that are in the normal range by its insulin-like effects in the liver, skeletal muscle and adipose (fat that surrounds our organs) tissue. Chromium is a trace element that plays a significant role in helping to regulate the amount of glucose in the blood and maintain blood sugar and cholesterol levels that are in the normal range. Source Naturals **VANADIUM WITH CHROMIUM** helps to maintain healthy blood sugar levels when used as part of your diet.

Suggested Use: 1 tablet daily with food. Do not exceed suggested use except as directed by your physician.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, diabetic or have any glucose metabolism disorder, consult your health care professional before using this product.
