Sodium	5 mg	<1%
SoyLife® Non-GMO Isoflavone Complex (from soy)	414 mg	†
Yielding 8.2 mg Total Isoflavones		
L-Lysine (as L-Lysine HCl)	30 mg	†
Silica (from horsetail aerial parts extract)	4 mg	†
Boron (as amino acid chelate)	1.5 mg	†

*Percent Daily Values (%DV) are based in a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: stearic acid, modified cellulose gum, acacia gum, sorbitol, silica, and magnesium stearate.

Contains soy.

ULTRA-CAL NIGHT™ is a scientifically advanced calcium formula, providing optimal forms of calcium and key co-nutrients to help support a healthy skeletal system. Most of the minerals are bound to organic compounds of the Krebs cycle (cellular energy production system), allowing for optimal absorption and utilization.*

ULTRA-CAL NIGHT is specifically designed to be taken at night. Research indicates that food eaten during the day usually maintains adequate calcium levels in the blood. Taking calcium supplements at night offers added protection until breakfast.*

ULTRA-CAL NIGHT contains a 1:1 ratio of calcium and magnesium, along with other bone minerals such as copper, manganese and zinc, and soy isoflavones to provide support for bones.*

Suggested Use: To maximize calcium utilization, take 1 tablet at breakfast and dinner, and 2 tablets at bedtime.

CAUTION: If you are taking anticoagulant drugs, such as warfarin (Coumadin®), or if you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. If you experience an uncomfortable laxative effect, simply decrease your dosage.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, wheat, sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
