Your body requires many nutrients to stay healthy, but with today's hectic lifestyle you may not be getting enough of these nutrients from the foods you eat. By taking a multi-vitamin, you can help supplement the essential vitamins and minerals that your body may be missing. Unfortunately, many multi-vitamins contain sugar and do not include all the nutrients that may be beneficial for your nutritional needs. Vita-Betic™ is a multi-vitamin and mineral formula designed to meet the nutritional needs of diabetics. 100% sugar-free, Vita-Betic™ can be an important part of your over-all health regimen.\*
