Amount Per Serving

Coenzyme Q10 (ubiquinone)	100 mg†
---------------------------	---------

†Daily Value not established.

Other ingredients: rice bran oil, modified starch, glycerin, carra-geenan, purified water, annatto oil, and lecithin.

Contains soy.

Coenzyme Q10 is a powerful antioxidant and plays a crucial role in the cellular energy production cycle by supporting healthy functioning of the mitochondria, the powerhouses of cells that create ATP metabolic energy. CoQ10 also supports heart, brain, nerve and immune health. Research has shown that cholesterol-lowering drugs, called statins, block the body's production of coenzyme Q10. CoQ10 supplements may be especially helpful for people taking statins. **VEGAN TRUE® COQ10** does not contain any animal products or animal-derived ingredients.*

Suggested Use: 1 softgel daily with a meal.

CAUTION: If you are pregnant, may become pregnant, breast-feeding, or are taking any prescription drug, consult your health care professional before using this product.
