Vitamin E	400 IU	1,330%
(as D- <i>alpha</i> tocopheryl succinate)		

Other ingredients: microcrystalline cellulose, silica, magnesium stearate, and modified cellulose gum.

**Contains soy.**

Vitamin E is a fat-soluble vitamin. It is one of the body's chief antioxidants, and may help protect the body's cells against free radical damage. It plays a vital role in maintaining both skeletal and smooth muscle, and is necessary for the synthesis and maintenance of red blood cells. Natural vitamin E has been shown to be more bioavailable than synthetic vitamin E in scientific studies.\*

**Suggested Use:** 1 to 2 tablets daily.

**NOTE:** If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
