MASS

MuscleTech® researchers have engineered a brand-new, 5-in-1, hardcore mass gainer designed for individuals looking to put on an extreme amount of mass. MASS-TECH® EXTREME 2000 features 80g of protein, over 400g

of carbs and over 2,000 mass-producing calories plus 8.2g of L-feucine (when mixed with 20 oz. of skim milk), 10g of creatine, and 20 vitamins and minerals for huge size and strength gains. MASS-TECH® EXTREME 2000 has everything you need to bulk up, pack on muscle and smash through strength plateaus.

BASED ON RESEARCH AT

A LEADING AMERICAN UNIVERSITY

ADDED MASS!

100% Whey High-Protein Shake
MASS-TECH! EXTREME 2000 delivers more postein per serving than most other mass gainers available on the
markst. With a whosping 80g of premium protein (when mixed with 20 oz. of skim milk), your body will have all
the building blocks it needs to build the size and muscle you're looking for.*

Multi-Phase Carbohydrate Complex MASS-TECH® EXTREME 2000 supplies over 400g of carbohydrates (when mixed with 20 oz. of skim milk) through a multi-phase carb complex to spike your insulin levels and promote muscle glycogen replenishment. This will help creatine reach your muscles and put your body in an

High-Density, Clean-Calorie Drink
The new, scientifically superior MASS-TECH* EXTREME 2000
formula defivers over 2,000 calories (when mixed with
20 cz. of skim mik) and features high-quality hely protein and
easy-to-digest complex carbohydrates. In a university study, subjects who added 2,000 calories to a high-protein diet and a weightlifting program gained 6.8 lbs. of mass (vs. 1.3 lbs. in the control group). This formula is so powerful you only need one serving a day! * Roomek et al. 7907. Journal of Sports Medicine and Physical Fitness. 47(3):385-3

training. In a human clinical study, subjects gained 6 lbs. in just 6 weeks while using the same creatine dose found in MASS-TECH® EXTREME 2000/4 Person et al., 1995. Journal of Strength and Conditioning Research, 13(1):3-5. Bullet et al., 1967. Journal of the International Society of Society Member: 4-5.

igh-Potency Branched Chain mino Acid Shake

With a Shaker Cup

With a Blender

Each serving of MASS-TECH® EXTREME 2000 (when mixed with 20 oz. of skim milk) delivers 17.8g of BCAAs, including 8.2g of musclebuilding L-leucine, L-leucine is a powerful nutrient signaler that enhances mTOR activation and causes amplified protein synthesis. In a clinical study, L-leucine was shown to help subjects increase their 5-rep max strength by over 40% in just 12 weeks. What's more, when mixed with 20 oz. of skim milk, you get 14.5g of L-glutamine and precursor to support muscle recovery. You won't find this amount of aminos in any other mass gainer on the market!* Green et al., 2001. Am J Physiol Endocrinol Messib. 2810; E496-7 Kindulf & Johnson, 2015. Our Ope On Not Stead Care 4 (3):20-43. Bookin et al. 2011. Int J South Physiol Retem 67(25-3).
