

USAGE: Take 1/4 teaspoon per day at mealtime. For infants and children, 1/8 teaspoon per day. Mix powder with water, unheated liquids such as fruit juices, or foods. Or take as directed by your qualified health care consultant.

Jarro-Dophilus® + FOS survives stomach acid and colonizes the intestines.* FOS is a natural fiber that enhances the growth of beneficial probiotic bacteria.* Each gram (approximately 1/4 teaspoon) contains 12 billion total probiotic bacteria.

Keep out of the reach of children.
