

NuNaturals

Cinnamon Extract

2 FL. OZ (59ML)
HERBAL SUPPLEMENT

Supplement Facts

Serving Size: 20 drops (Approx. 1 dropperful)
Servings Per Container: 59

Amount Of Extract Per Milliliter

Cinnamon Extract (<i>Cinnamomum spp.</i>) (Bark)	100 mg*
--	---------

*Daily Value not established

Other ingredients: Water, 20% alcohol and vegetable glycerine.

Suggested use: Shake well before using. As a dietary supplement, use 1-2 droppers (20-40 drops) with meals.

NuNaturals uses an extract that has been extracted only with water. This eliminates the toxins that are produced when cinnamon is extracted using alcohol. While alcohol extraction is the preferred method for most herbs, Cinnamon needs to be extracted in this way to maintain the purity of the extract. Alcohol is added to the final liquid product as a preservative.
