

MaxAbsorb CoQ10

2 FL. OZ (59ML)
DIETARY SUPPLEMENT

NuNaturals MaxAbsorb Coenzyme Q10 has been shown in cell culture studies to be 5 times more bioavailable than regular Coenzyme Q10 that is usually sold in capsules, tablets and gelpcaps. One milliliter of MaxAbsorb is equal to 125 mg of CoQ10 in pill form. Your body will have more CoQ10 available to use and is more cost effective than regular CoQ10 supplements. You are getting more into your system and can use less than you would in pill form. Coenzyme Q10, also known as Ubiquinone, is a vitamin-like substance that is produced in our body.

Supplement Facts Serving Size 20 drops (1 ml) (approx. 1 dropperful) Servings Per Container 59 Amount Per Serving CoEnzyme Q10 (gamma-cyclodextrin 20%) 25mg* *Daily Value not established.

Other ingredients: Vegetable Glycerin, Water and Gamma-cyclodextrin.

Suggested use: Shake before using. Use 20 drops directly into your mouth, food or beverage. CoQ10 should be taken with food that contains fat for best absorption.
