

Lumbrokinase

Lumbrokinase consists of a group of proteolytic enzymes, and is derived from the earthworm *Lumbricus rubellus*. Now Phthalate-Free.

Suggested Use

As a dietary supplement, 1 or 2 capsules in the morning, 1 or 2 capsules in the afternoon and 2 capsules at bedtime, or as directed by a healthcare practitioner. Take with 8-10 oz of water, with or without food. Use under medical supervision if taking anticoagulant drugs. Contraindicated in any condition associated with bleeding.

Keep in a cool, dry place, tightly capped.
