

Pure Vitamin C Powder

This Pure Vitamin C is ascorbic acid in unbuffered form. Although the elaborate process of producing cassava root source vitamin C has one step that involves the use of corn-derived alcohol, this formula is generally well tolerated by corn allergic individuals.*

Suggested Use

As a dietary supplement, 1/4 to 1/2 teaspoon in 4 to 8 ounces of desired liquid with meals, or as directed by a healthcare practitioner

Keep in a cool, dry place, tightly capped.

Developed by Stephen A. Levine, Ph.D.
