FOR BONE AND IMMUNE HEALTH*
10,000 IU • 60 SOFTGELS

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	%DV
Vitamin D-3 (as cholecalciferol)	250 mcg (10,000 IU)	1,250%

Other ingredients: olive oil, gelatin, glycerin, and purified water.

Suggested Use: 1 softgel every three days with a meal containing fat, or as directed by your healthcare provider.

Sunlight is the source of life on Earth, but we may not be aware of all the ways it benefits us. Our bodies manufacture vitamin D-3 when the skin is exposed to UV radiation from sunlight, but the ability to do so decreases as we age. Vitamin D-3 helps maintain healthy calcium and phosphorus levels in the body for strong bones, it supports muscle strength in older adults, and it also plays an active role in a healthy immune response. Vitamin D-3 (cholecalciferol) is the optimal form of vitamin D. It is the form of vitamin D that the body manufactures in sunlight, and the form most efficient for the body's needs.*

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
