

USAGE: Take 1 tablespoon per day. May be mixed in cold water, juice, tea, or other beverages of choice.

Jarrow FORMULAS® PomeGreat™ Pomegranate + Blackcurrant + Red Grape Juice Concentrate provides a potent blend of polyphenols from antioxidant-rich fruits.

The polyphenols found in pomegranate, blackcurrant and red grape have been shown in scientific studies to benefit cardiovascular function, healthy cell replication, and antioxidant protection.* Also, blackcurrant's unique protective effects on eye health, especially on the reduction of eye fatigue associated with chronic exposure to terminal (e.g., computer) screens are mainly due to its high concentration of the unique polyphenols delphinidin-3-rutinoside and cyanidin-3-rutinoside.* New Zealand Blackcurrant contains 4 times more polyphenols than European blackcurrant and is free of pesticides.

Jarrow FORMULAS® PomeGreat™ Pomegranate + Blackcurrant + Red Grape Juice:

- Promotes antioxidant protection*
- Promotes eye health and reduces eye fatigue*
- Supports cardiovascular health*

WARNING: Pomegranate juice, like grapefruit juice, may interact with a number of medications. People on any medication, especially on anti-hypertensive or cholesterol lowering medications, or people who are allergic to many plants, should consult their physician before taking pomegranate juice or any pomegranate products.

Refrigerate after opening. To extend shelf life, this product would be best kept refrigerated at all times. Use within 60 days after opening.

Keep out of the reach of children.
