

USAGE: Take 1 capsule up to 3 times per day with food or as directed by your qualified health care consultant.

Co-Q10, an important antioxidant found in high concentration in human heart and liver, is part of the cells' electron transport system, needed for ATP (i.e., energy) production within the cells.* **Jarrow FORMULAS® Co-Q10** restores Co-Q10 levels reduced or depleted by use of statins.*

Jarrow FORMULAS® Co-Q10 is derived from fermentation and consists only of the natural trans configuration, the same as is synthesized in the human body.

Jarrow FORMULAS® supports clinical research on Coenzyme Q10.

Keep out of the reach of children.
