

DIETARY SUPPLEMENT

Suggested Usage: 1 tablet per day or as directed by a health professional. Keep out of reach of children.

The B vitamins in Stress B Formula work together to metabolize proteins, carbohydrates and fats and provide the body with energy. They also support a healthy nervous system and mood, and are essential for healthy skin, hair and vision. Vitamin C, a powerful antioxidant, is added to maintain cell wall integrity and support healthy bones, cartilage, teeth and gums.* Water-soluble B vitamins and Vitamin C are not stored in the body and must be replenished daily.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no dairy. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
