

Fibronol®

Fibronol® contains SEANOL®-F, a patented powerful extract from a specific species of brown seaweed *Ecklonia cava*, rich in phlorotannins/polyphenols with uniquely strong antioxidant properties.* These polyphenols are 40% oil-soluble, and have a metabolic half-life of up to 12 hours. Fibronol® also contains vitamin B1, magnesium, malic acid and aloe vera extract.

Suggested Use

As a dietary supplement, 2 capsules three times daily before meals, or as directed by a healthcare practitioner. Do not exceed 12 capsules in a 24 hour period. Not recommended for children under 12 years of age unless under the care of a physician. Keep in a cool, dry place, tightly capped.

California Proposition 65 Warning: This product contains lead, a chemical known to the State of California to cause birth defects or other reproductive harm.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
