

CoQH-CF[®]

CoQH-CF[®] (ubiquinol) is a reduced form of coenzyme Q10, and is the actual antioxidant form of coenzyme Q10. A unique softgel delivery system protects the content from oxygen exposure and provides an efficient way to support ubiquinol levels.*

Suggested Use

As a dietary supplement, 1 softgel one to three times daily with meals, or as directed by a healthcare practitioner.

Keep in a cool dry place, tightly capped.
