Whey Protein Peptides & Isolate - Primary Sources
For over 20 years, NITRO-TECH® has been a leading protein brand. Built on a

foundation of human research and cutting-edge science, it's earned the trust of countless consumers worldwide. Now the same research and development team has pioneered a new formula based on superior protein sources, quality and

manufacturing. Introducing NITRO-TECH® 100% WHEY GOLD – a pure protein formula featuring whey peptides and isolate.

Superior Science. Superior Results.™ Hydrolyzed whey (known as whey peptides) are the fastest absorbing protein

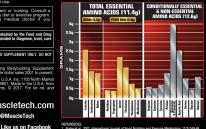

micro-fractions on the planet, which is why they are a significant part of our formula! Along with micro-filtered whey protein isolate plus whey concentrate, NITRO-TECH® 100% WHEY GOLD delivers superior absorption, digestibility and mixability. Each soop serves up 24g of ultra-premium protein that supplies 5.5g of BCAAs and 4g of glutamine and procursor. NITRO-TECH® 100% WHEY GOLD uses a superior cold microfiltration process to guarantee a higher quality whey protein. Combined with an award-winning flavor profile, NITRO-TECH® 100% WHEY GOLD is as good for your taste buds as it is for your muscles!

20 Years of Innovation You Can Trust

Rapid-absorbing hydrolyzed whey peptides to support an insulingenic response and

improved nutrient delivery Features the most premium whey isolates and concentrate for a superior amino acid profile

. 5.5g of anabolic BCAAs and a class-leading 4g of glutamine and precursor for better muscle protein synthesis and recovery. · Superior cold microfiltration process yields a high biological value undenatured
