

DAO Histaminase™ With Bioflavonoids

DAO Histaminase™ contains diamine oxidase (DAO), an intestinal enzyme that digests histamine.* The body produces DAO to digest excess food-derived histamine in the lower intestine.* The formula is enhanced with rutin and quercetin.*

Suggested Use

As a dietary supplement, 1 capsule one or two times daily with histamine-rich foods, or as directed by a healthcare professional.

Caution: If pregnant or nursing, consult your healthcare practitioner before use. Keep out of reach of children.

Store in a cool, dry place, tightly capped.
