

DIETARY SUPPLEMENT

Suggested Usage: 1 tablet, 1 - 5 times per day or as directed by a health professional. Keep out of reach of children.

Warning: In case of history of ulcer, gallbladder or liver disease, consult a physician.

Niacin is necessary for protein metabolism, energy production and normal nervous system function. It may also help regulate blood sugar, cholesterol levels and is required for the production of the adrenal and sex hormones.* Niacin has a strong effect on the circulatory system causing some people to experience flushing, a sensation of heat and reddening. With today's lifestyle, it is often difficult to get proper nutrition, making Natural Factors Niacin tablets your nutritional insurance to fortify your daily diet.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
