

## DIETARY SUPPLEMENT

**Suggested Usage:** 1 to 2 capsules, 3 times per day or as directed by a health professional. Keep out of reach of children.

No-Flush Niacin contains inositol hexaniacinate, a safer form of niacin (vitamin B3) used in Europe for over 40 years. Inositol hexaniacinate is not associated with the side effects of harsher forms of niacin in high doses, such as flushing of the skin and upset stomach.

All Natural Factors products are manufactured according to Canadian Health Protection Branch Good Manufacturing Practices (GMP), among the highest standards in the world.

*Contains no artificial preservatives, color or sweeteners; no corn, dairy, starch, wheat or yeast. Sealed for your protection. Do not use if seal on cap is broken. For freshness, store in a cool, dry place.*
