

AmericanBioSciences

GLUTEN FREE

Suggested Use: As a dietary supplement for adults take 2 capsules per day. For maximum benefits take 6 capsules daily.

AHCC® Active Hexose Correlated Compound, is a cultured extract of hybridized mushroom mycelia (roots) with a unique alpha-1,4 glucan structure. Its low molecular weight of 5,000 daltons makes it highly absorbable and sets it apart from other mushroom extracts.

AHCC is a registered trademark of Amino Up Co. Ltd. and Vcaps is a registered trademark of Capsugel.
