Other ingredients: cellulose, stearic acid, sodium croscarmellose, citric acid, sodium bicarbonate, hypromellose, silica, glycerin
Contains soy.

Plant Source Calcium

Alive!® Calcium is derived from Lithothamnion (calcified red algae seaweed sustainably harvested from pristine Icelandic waters), kale, spinach and collard greens.

Easy to Digest & Utilize

While many calcium supplements are sourced from limestone rock or animal bones, Alive! Calcium provides calcium and trace minerals that may be easier for the body to digest, absorb and utilize.

Fast Dissolving

Alive! Calcium tablets dissolve quickly to help ensure a maximum level of nutrients are available for absorption.

Promotes Healthy Bones*

Adequate calcium intake throughout life, as part of a well-balanced diet and regular exercise, may **reduce the risk of osteoporosis**. Alive!® plant source calcium provides **1,000 mg of calcium per serving** (100% DV), vitamin C, vitamin D3, vitamin K2, magnesium and supportive minerals.

MAX Absorption

Vitamin D3 enhances calcium absorption and utilization.*

Bone Density*

Magnesium and vitamin C help maintain bone density.*

Gets to Bones, Not Arteries

Vitamin K2 (MK-7) directs calcium to the bones where it's needed most, and away from arteries.*

Additional Minerals

Strontium and boron assist calcium in promoting healthy bones.*
