Recommendation: Take 1 capsule twice daily. For best results take 30-60 minutes before mealtime.

Warning: Take with a full glass of water. Taking without adequate fluid may cause it to swell and block your throat or esophagus, and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting or difficulty swallowing or breathing after taking this product, seek immediate medical attention. If pregnant, nursing or taking any medications, consult a healthcare professional before use.
