POTENCY: See validation of each herb's full phytochemical complex.

Obtain the proof of the safety and efficacy of your product now!

Black Elderberry Syrup

Black Elderberries have been recognized for centuries throughout Europe for their immune supportive properties.* This great-tasting all-natural syrup, made from certified organic Black Elderberries and added organic honey, can be taken by children daily or on occasion to support their immune systems.* Honey offers tasty and soothing support to their respiratory system.* The formula contains no artificial flavors or colors, no preservatives and no high fructose corn syrup.

A partnership of mutual beliefs

GaiaKids[®] Black Elderberry Syrup is produced in Tuscany, Italy by Aboca, the herbal supplement leader in more than 25,000 European pharmacies and health food stores since 1978. Gaia Herbs' partnership with Aboca is born from a mutual belief in sustainable product development, dedication to quality, and a deep respect for science and nature working in harmony.
