Bronchial Wellness For Kids

Finding natural support for your child's throat and bronchial health which is both organic and great tasting can be a challenge.* *Bronchial Wellness for Kids* has been popular with parents in Europe for over 10 years. Gaia Herbs now brings this herbal syrup to the U.S. Parents can trust the purity of organic herbs such as Plantain and Grindelia, used traditionally in Europe for promoting respiratory health and naturally processed to ensure high concentration and absorption. Kids, on the other hand, can enjoy the great taste which comes from organic honey and flavorful essential oils.

A partnership of mutual beliefs

Bronchial Wellness for Kids is produced in Tuscany, Italy by Aboca, the herbal supplement leader in more than 25,000 European pharmacies and health food stores since 1978. Gaia Herbs' partnership with Aboca is born from a mutual belief in sustainable product development, dedication to quality, and a deep respect for science and nature working in harmony.
