

Thyroid Control™ is an advanced all-natural nutritional supplement formulated to assist the body in naturally restoring deficient iodine levels, while also stimulating the thyroid to produce crucial hormones.

Thyroid Control's all natural formula contains a combination of essential antioxidants, vitamins, minerals and botanicals which are shown to support thyroid functioning.

Directions: On a daily basis, take two(2) capsules together at meal time with a 4oz to 6oz glass of water. You may take up to 4 capsules per day.

Do not use if neck band or foil seal are damaged or missing. Store in a cool, dry place. Keep out of reach from children.
