Pro Matcha is a high antioxidant, whole food protein powder featuring energizing Matcha, a shade-grown Japanese tea with **10x the antioxidants** of regular green tea. Matcha provides L-Theanine, an amino acid that promotes relaxed alertness (no caffeine crash), and chlorophyll, a major detoxifier. Matcha has been renowned in Zen Buddhist culture for centuries due to its mood and concentration enhancing effects.

Algal, Sacha Inchi, Yellow Pea, and Spirulina proteins in Pro Matcha provide 21 grams of protein per serving and contain all essential amino acids and branched-chain amino acids to help your muscles recover between workouts, and to aid in the development of lean muscle tone. This strong protein combination is low in carbs, curbs hunger, provides Omega 3, 6, 9 fatty acids (in proper ratios), boosts immunity, and is easily absorbed.*

Perfect for pre or post-workout, weight management, and suitable for vegan & vegetarian diets. Mix it with your favorite non-dairy beverage, add it to smoothies, or use when baking. **Clean, bioavailable, sustainable, gluten free, certified vegan, soy free and Non-GMO.**

Directions As a dietary supplement, once each day - or more often if you would like - mix two level scoops (enclosed) of Pro Matcha into 8 ounces of your favorite juice, rice or almond beverage, or water. Stir briskly. If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medications or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Store in a cool, dry place. Keep out of reach of children. Drink and be vibrant.

Also available in Chocolate Crème and Vanilla Crème
