

100% RAW ORGANIC TURMERIC ROOT POWDER

Curcumin is the principal curcuminoid of turmeric, and is responsible for most of the benefits of this powerful herb that is now used traditionally in many cultures for health and vitality. Its popularity today is largely due to its ability to help the body maintain healthy inflammatory responses (within a normal range), which may help with joint health and comfort.[†]

Raw • Organic • Vegan • Non-GMO • Gluten-Free
