LG2012.00

A Nobel Prize was awarded for the discovery that Nitric Oxide (NO) plays a significant role in the cardiovascular system*. NO is naturally made in your body, but as you age you produce less of it. Berkeley Life helps support NO levels for Heart Health by supplementing your diet with dietary nitrates. Our supplement provides the dietary nitrates found in plants, as well as key vitamins, to help support NO levels, cardiovascular health, and overall health and vitality.

Patented Berkeley Nitric Oxide Test Strips, Self Test in seconds

When: Test before taking the supplements and two hours after you have taken the supplement.

How:

5
SEC

1. It's simple, place the test strip with the "saliva here" side on your tongue.

10
SEC

2. Fold the strip over and gently press the two pads together.

3. Now simply separate and compare the color on test pad to the NO scale.

4. Download the Berkeley Test app to get your reading and to track over time.
