

100% RAW ORGANIC BEET ROOT POWDER

Beet Root (*Beta vulgaris*) has been historically cultivated for its culinary and medicinal properties. Betalains are the phytonutrients that give the root its vibrant red pigment that can also be used as a natural dye. Beets contain nutrients such as fiber, Betaine, and nitrates, and are high in natural sugars, adding earthy sweetness to foods and drinks.[†]

Raw • Organic • Vegan • Non-GMO • Gluten-Free

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

BENEFITS:

Energy, performance.[†]
